

# Allen Wins Four Remodeling Awards

QUALIFIED REMODELER MAGAZINE AWARDS FOR THE TOP REMODELING PROJECTS IN THE U.S.

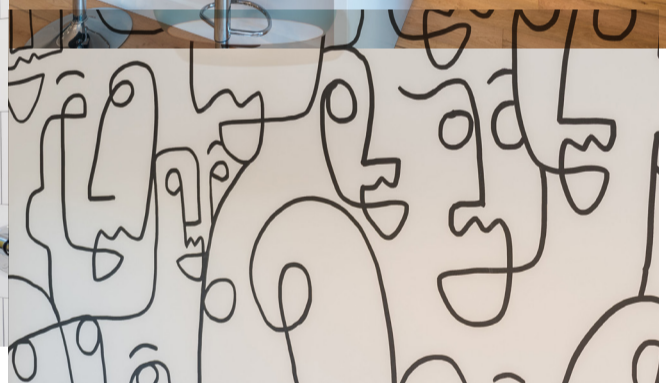

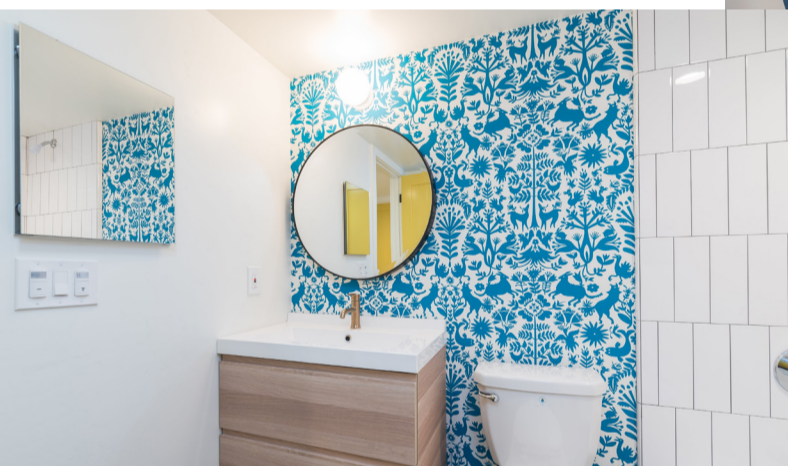

We are honored that four of our favorite recent projects have been selected for Master Design Awards by Qualified Remodeler Magazine. This is the first year that we have received four awards that span across all three of our geographical regions.

The **Beverly Grove Hillside Remodel** won a Silver Award in the Whole House Remodel more than \$750,000 category. This hillside home features high-end finishes, an elevator and a gorgeous hillside pool.
