Project Highlights

3,500 SF NEW HOME

This Contemporary Mediterranean new build features three bedrooms and three and a half baths on three floors with gorgeous ocean views from every level.

The main floor features an open living area with four-inch wood nickel grooved ceilings and two 16-foot floor-to-ceiling glass stacking doors that vanish into the wall when opened. This floor also includes a fabulous kitchen with Porcelanosa countertops, a large home office, guest bedroom with bathroom, as well as a powder and laundry room. The front entry deck has a custom iron gate, retractable awning shades, a gas firepit, and glass railings to enjoy the ocean views.

The upper floor hosts the primary bedroom and bathroom along with a laundry room, and a second bedroom with ensuite bathroom. A 650 square foot roof deck is accessible from the primary suite.

The rear patio is set up for true indoor / outdoor living and includes an outdoor BBQ, pizza oven, an outdoor dining room, sitting area with fireplace, and a plunge pool / fountain.
